

DreamMaster Weekend

October 26-28, 2018

Shell Beach, California

Invest in your marriage

DreamMaster is a discovery experience that encourages Christian couples to dream about their future, recall forgotten dreams, and dust off dreams that were set aside for a time. Dreams too often become a remnant of our youth. DreamMaster Weekends are a guided discovery experience that will encourage you and your spouse to think about the future, and remember the dreams from your past. Your time will be filled with romance, fun and the opportunity to invest in your relationship by dreaming together. The event will be facilitated by Rob Dayton, TMP Coach.
